

Game Test Plan:

- Check to make sure all buttons work
- See if everything looks correct for a win
- See if everything looks correct for a loss
- Make sure you cannot choose more than 2 bots
- All add/remove bots buttons work

Game Test Notes:

- 'See all bots' button does nothing
- Cannot add more than 2 bots for dueling
- Remove from dueling buttons work
- When winning the game it adds to 'losses' instead of 'wins'

Bug Report:

- After clicking the "see all bots" button nothing shows up
- After winning a game, the loss counter goes up instead of the win counter
